---

- Thank you for purchasing our product, carefully read and follow all assembly instructions before assembling this item.
- Please make sure that you have all the parts and hardware as indicated before beginning the assembly of this item.
- Use the hardware illustrations to determine correct piece and size.
- This item should be assembled on a soft surface to prevent scratching the finish during assembly.
- Do not tighten all the screws and/or anchors until you have a good fit.

This unit is supplied in an un-assembled state and must be assembled.

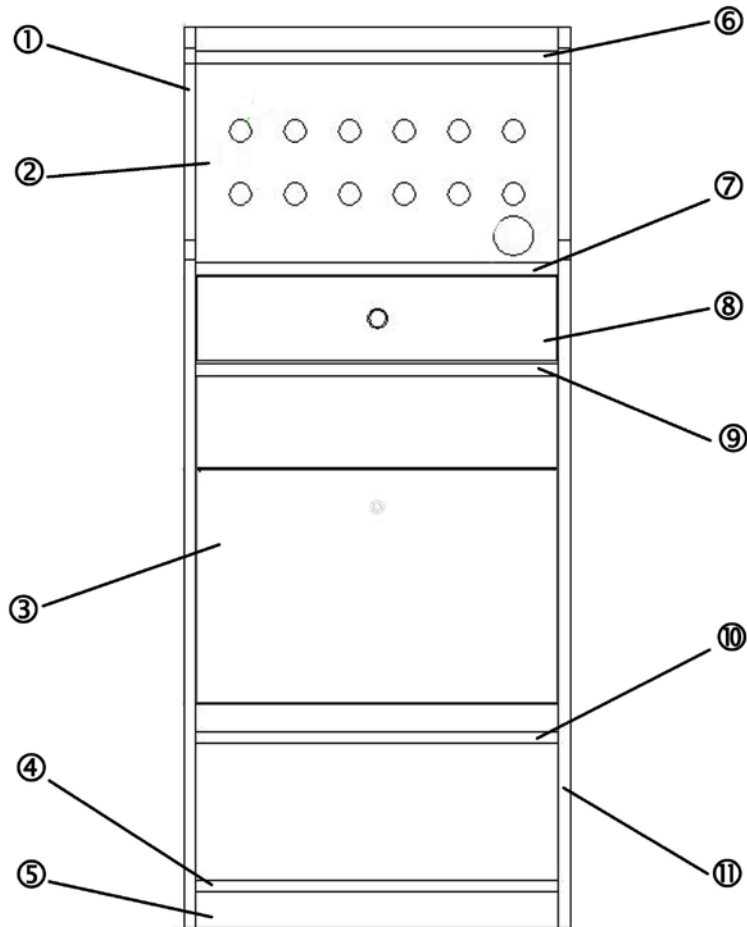

- a) The unit is very heavy and should not be carried by one person. To avoid injury to yourself and/or damage to the unit we recommend you carry the unit between 2 or more persons.

- b) Before assembly place all parts on a soft stable surface to avoid scratching or damaging the finish.

G	<p data-bbox="456 1727 746 1765">ST4 x 20 - Screw</p>	1 Piece
H	 <p data-bbox="456 1957 810 1995">Magnetic Door Catch</p>	1 Piece

Tools required to assembly this unit:

Be sure that you have the following at hand prior to beginning the assembly:

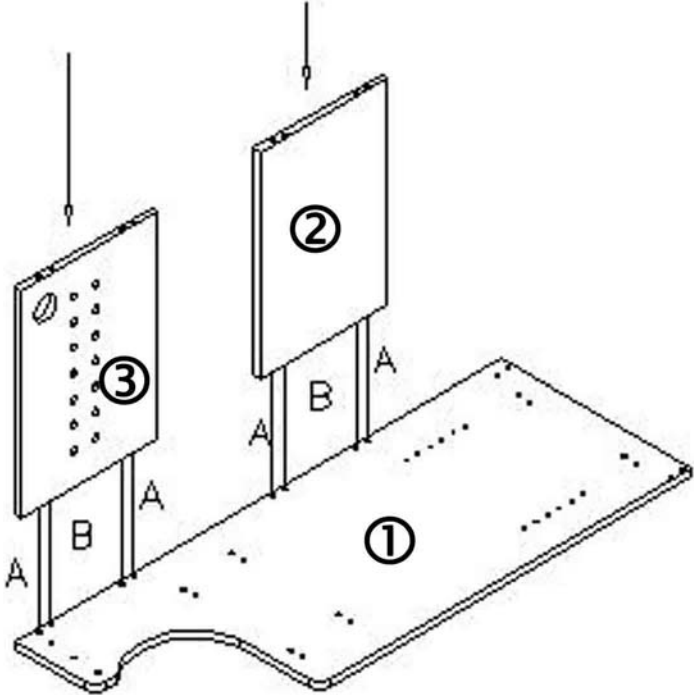

When installing the assembly hardware be sure that you insert all screws, anchor bolts, and dowels straight and are flush to the surface of the unit. Over tightening of the hardware will result in damage to the finish and a poor fit.

**STEP 1:**

As shown in the illustration (fig. 1) attach the (2) back panels (parts 2 & 3) to the left side panel.

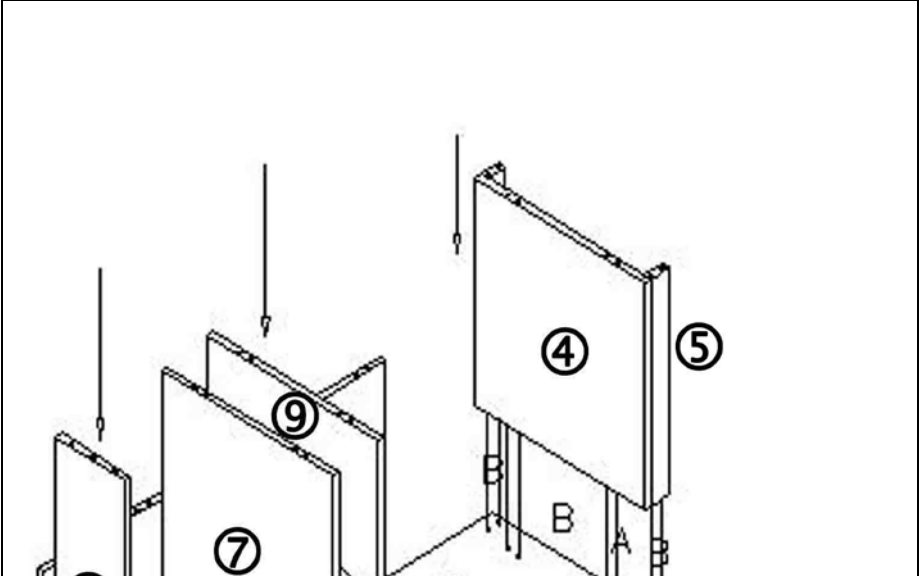

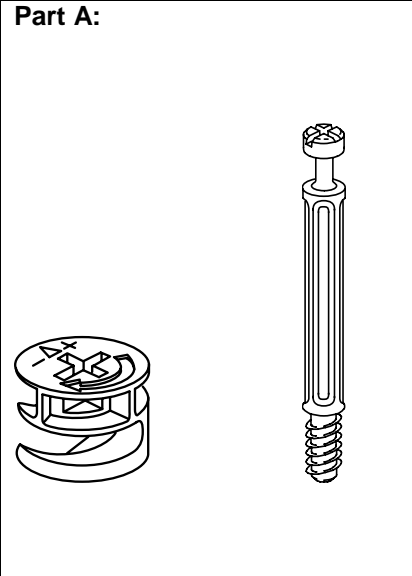

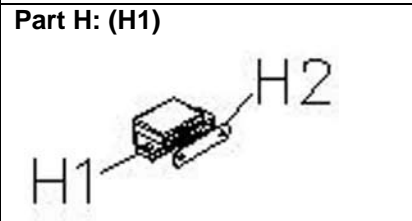

Part	Description
1	Left Side Panel
2	Back Panel – Microwave Section
3	Back Panel – Refrigerator Section
